

DEPOSIT & PAYMENT POLICIES

Please note that all current clients have until February 1st of the next year to book their hunting dates. After this time, current customer's dates will be available for booking by other clients.

Deposits are required and do a few things for both the hunter and the outfitter. The deposit guarantees the hunter that he/she has a reservation for a specific hunt on specific dates with agreed upon terms. For the outfitter, it allows for them to operate like any normal business. We, like other businesses have many expenses throughout the year.

Whether it is lease payments to land owners, food and wellness practices of our hunting animals, insurance, etc. there are many expenses that occur prior to any hunting seasons being open and therefore it is **VERY IMPORTANT** to pay deposits in a timely manner.

Deposit: A deposit of 50% of the hunt total is due upon booking the hunt. One hunter's deposit doesn't hold dates for the entire group. A contract/liability release will be emailed to you upon booking the hunt which outlines everything involved with the hunt. By signing the contract/liability release you acknowledge the terms and conditions of the contract and the liability release. The contract, along with a 50% deposit are due within 2 weeks from the time that the hunt was booked.

Deposits are Absolutely Non-Refundable.

Balance: The balance of your hunt is due the last day of hunting.

If fewer hunters arrive, the remainder of the deposit **WILL NOT** be applied as payment toward your final bill.

South Dakota State Sales Tax (5%), SD Tourism Tax (1.5%) will be added to deposit and the remainder of the final bill. *Prices do not include Guide gratuities.*

Payment Methods: We accept Credit Cards, Company Checks, Cashiers Checks, Personal Checks, etc.
